Letter one:

Dear Janice,

I know you were sad to hear that I would be out of the country for six months or so. But, think of it this way, you have time to get your priorities straight. I don't think you could fit any more men in your bed if you tried and it's getting pretty tiresome. Decide if you want me or if you want us or if you want to make a clean break and let me know ASAP. I'll be happy for you to decide either way. I'm looking forward to the future.

Love,

John

Letter two:

Dear Janice,

Screw all that. You gave me herpes. See you when (if) I see you.
